ADVANCED DIRECTIVES NOTICE

Given the nature of the procedures and associated care delivered at this facility combined with the facility's perspective on Advance Directives, should the need arise, the facility will always attempt to resuscitate a patient and transfer the patient to a hospital for further care. If you are transferred to a hospital for further care, a copy of your advice directive will be provided to the hospital. If you would like more information about Advance Directives, please ask for a copy of the facility's Advance Directives policy.
