

Dean Laganosky, M.D., named Urology Trailblazer for 2024

Philadelphia, November 15, 2024 - [Dr. Dean Laganosky](#), urologist with MidLantic Urology, has been awarded the [2024 Trailblazer Award](#) by the Large Urology Group Practice Association (LUGPA), a trade association representing 153 urology groups in the U.S.

This prestigious recognition is given to one urologist or administrator each year who has significantly contributed to the field of urology within the first ten years of their practice. The award acknowledges the winner's exceptional achievements, innovation, leadership in urology, and commitment to advancing the field.

Among a field of worthy recipients, Dr. Laganosky was selected for his pioneering spirit, contributions to MidLantic Urology in Southeast Pennsylvania, and his help breaking new ground in patient care.

Dr. Laganosky's career accomplishments are remarkable. They include pioneering work with cutting-edge urologic treatments, including Bioprotect, Optilume, SpaceOAR, and Aquablation. He is passionate about educating his colleagues and patients and is a true trailblazer in the field.
